CONFECTIONERY

TONY'S CHOCOLONELY These stunningly delicious, uniquely shaped chocolate bars have the most fantastic ethical story behind them

TONY'S MISSION

Chocolate makers on a mission to end slavery in the chocolate industry. Our vision is 100% slave free chocolate. Not just our incredibly tasty chocolate, but all chocolate world-wide.

HOW IS TONY'S DIFFERENT?

Through relationships with cocoa farmers and cutting-edge technology, Tony's has created a completely transparent and traceable bean-to-bar process. It pays a higher price for the cocoa beans so farmers can earn a living income, provides business and agricultural training to increase productivity on cocoa farms and works with cooperatives in which farmers are united and stand stronger together. One percent of Tony's Chocolonely net revenue is donated to the Chocolonely Foundation, supporting projects to eradicate slavery in the cocoa chain.

THE SERIOUS STUFF:

There are 2.1 million children that work illegally on cocoa farms in Ghana and Ivory Coast and at least 30,000 instances of modern slavery and trafficking. Tony's exists to change this.
